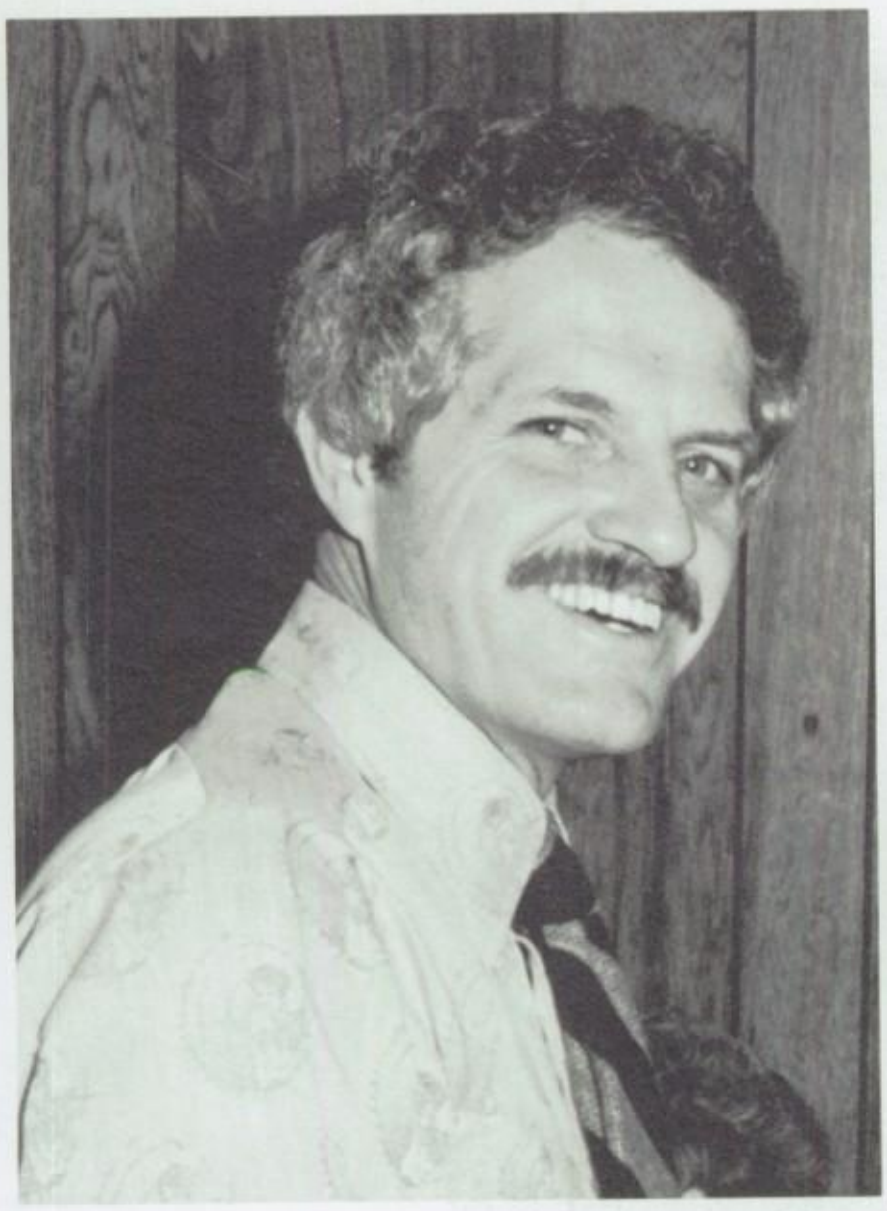
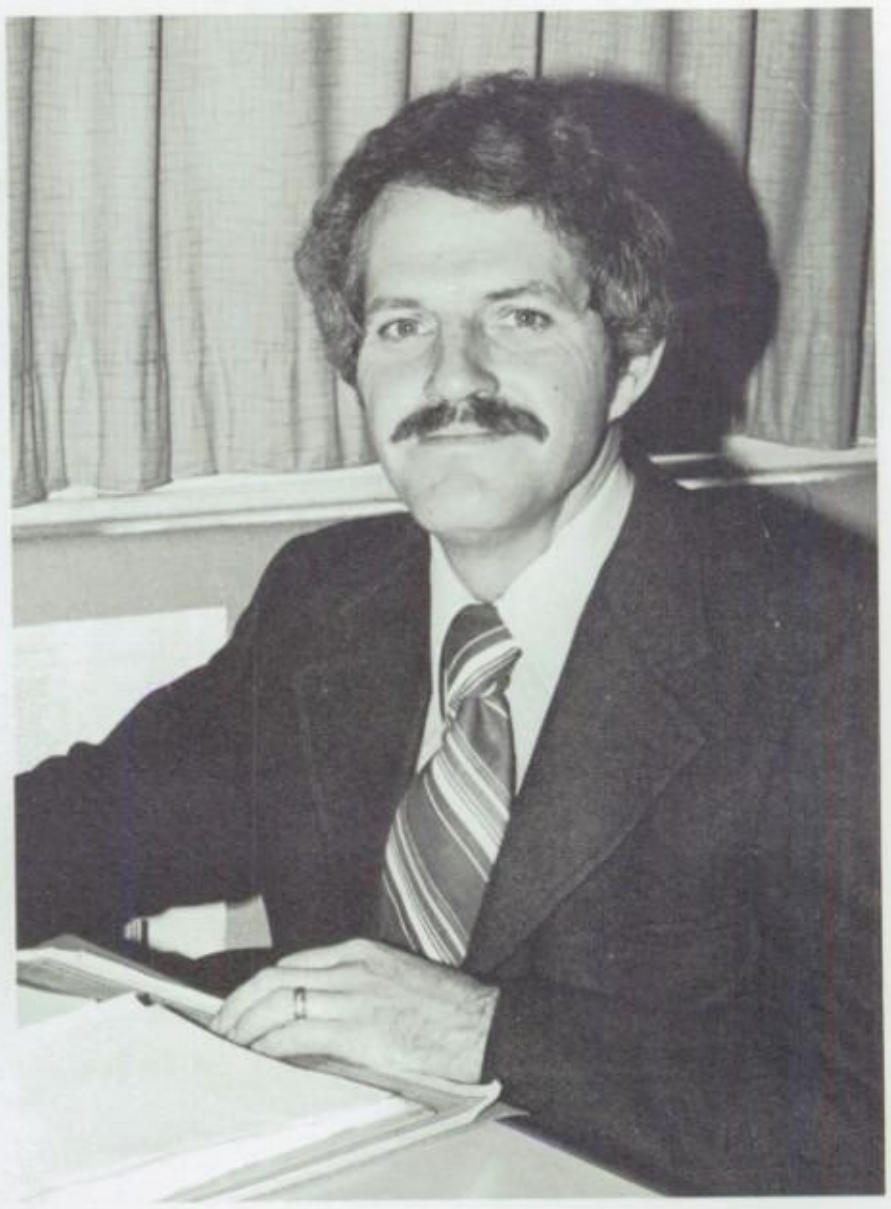
In the fall of 1975, Bonnie Hoyt entered the Windham Junior High School's Guidance Department to develop and implement an effective guidance program. On September 11, 1984, she passed away after a long battle with cancer. The students of Windham High School remember Bonnie Hoyt for her caring smile and cheerful attitude. Mrs. Hoyt's initiative and desire to succeed radiated upon and influenced all who came in contact with her. We will miss her greatly and remember her always.





We, the Class of 1985, dedicate the 1984-1985 Windonian to guidance counselor,

Mr. Richard Hargreaves

"With his hard work and dedication, he has made our problems seem small and copable. Mr. Hargreaves has brought a special quality to Windham High. The things he has taught us, we will bring with us into the world as we move on and graduate. We thank him for this and we will always remember him as one of the most helpful and friendliest of the high school faculty."

The Time to be Glad

A young man lives in the future;
An old man lives in the past;
For youth, time is moving too slowly,
For age, it is moving too fast.

A young man dreams of the gladness
The years just before him will bring;
An old man dreams of his pleasures
When life held the magic of spring.

But youth and age are in error!
The present alone can convey
The joy and cheer and contentment
We seek as we journey life's way.

Today is the time to be happy!
No matter how young or how old,
It's always today that must bring us
The blessings our fortunes unfold!

Sweden

Fredrik Sundh (EF)
Sweden

First of all, I want to thank my mother and father in Sweden. Then I want to thank EF which is the best organization for foreign study. Lee and Helen Weeks, my area representatives are great and they really care about the exchange students. Even my host family, the Hamlin's, is great. They make me feel like a member of the family. I think they are the best family in the U.S.A. Windham High is a perfect school for exchange students. It is not too big, and not too small. The teachers are excellent and very helpful in all situations. Thank you all, I love the U.S.A.!

Toby

Believe it or not, we have our own language in Sweden (haven't you heard Toby and I talking to each other?). We have cars (not many American cars though), video games and computers. We love rock music, and I know who Mick Jagger is. I'd like to thank everybody for everything during my year in the United States, so don't stop reading now. First of all, I want to thank the DeRice's, my host family, for being such a wonderful family. I will never forget you! Then thanks to the teachers and students at Windham High School, all the nice people I met and finally to Sheba (one of the DeRice's dogs) for not sleeping in my bed anymore! Thank you!

Fred

Miguel Morales (AIFS)
Spain

Lars Movild
Sweden

I've been here only for a couple of months and I feel I'm at home. There's some differences in the customs of Spain and the U.S. For example, we have more freedom at school and as I live in the city, I have different ways of going out with my friends, but I like it here. I want to thank my friends and teachers in Windham High School. I want to give a special thanks to my family, the Capello's for hosting me during this year. I'm sure that this year of my life will be unforgettable and I hope that I will be able to return often to Maine, Windham, and Raymond.

Miguel

I hope you have all read Fred's explanation about Sweden, because now I'm going to give you a short one about Denmark. Denmark is a country not a state. It is smaller than Massachusettes and we have no mountains. Denmark is a free country, we are not communists. We don't speak english, we speak Danish which is very similar to Swedish. Some poeple have asked me some very crazy questions about my country, but I thank you for having shown an interest in my country. I want to thank you all for the way you welcomed me to Windham High School. I like to say a special thanks to the soccer team and Mr. Biggs, who helped me to know people in school. Last, but not least, I want to thank my host family, the Weeks, who helped make this year possible. I'm not a member of any of the exchange students organizations, so my staying here at the Weeks house is all on a private basis, which makes this year all the more greater.

Lars

Monique Kuyper (EIL)
Holland

Antti Leinonen (AFS)
Finland

I want to thank my host parents, the family Van Winkle, for letting me stay here for a year. I would also like to thank Windham High School! I've liked the students and the teachers. The sports were great. My soccer season was wonderful! This country is very different; it is very beautiful looking. One thing I don't like is that you can't go to a discotheque when you are 17! I want to thank Mr. Hargreaves. When I had a problem he always helped me. Good Luck in your future, come visit me in Holland! I hope you don't forget me. I'll miss you!

Monique

I'm having an unforgettable time here in the U.S.A. I would like to thank the Davidsons for being such an outstanding host family. Without your support, my experience would have been much less enjoyable. I'd also like to thank all my friends and teachers in Windham High School. You made the studies very easy for me by creating a very positive and supportive environment. I'd also like to thank my family in Finland for making this wonderful year to come true. I hope some of you will keep in touch after this year. I wish you all the best luck in the future.

Always Have a Dream

Forget about the days when it's been cloudy, but don't forget your hours in the sun . . . Forget about the times you've been defeated, but don't forget the VICTORIES you've won. Forget about mistakes that you can't change now, but don't forget the lessons that you've LEARNED . . . Forget about misfortunes you've encountered, but don't forget the times your LUCK has turned . . . A Dream . . .
A hope, a desire, a notion, a feeling that can expand as you want it to. And terminate at your command alone. A struggle for peace and tranquility . . . to conquer and rise above all evils. Leaving nothing but goodness behind, an achievement you strive for, and complete in the end, an ultimate goal, and idea too brilliant to let anyone else know of its existance. An expectation to make the most of whatever you have and not let anyone else hold you back.

Hold on to your dreams
Don't ever give in.
If you keep trying
You're going to win.

For every pain that we must bear,
For every burden, every care,

There is hope for each new day
There is a sunbeam for each raindrop
There is help along the way.

And know God must have heard

In all things great and small —
But it was for His loving care
I prayed the most of all!

You walk alone through rings of fire
You never lose your one desire
Look for the sight that's hard to see
And know that all is mean't to be
You take the dream and make it real
And see the truth it must reveal
And in your heart that
truth will shine
Your cause will stand the test of time
So reach for the sky — reach for the sky
Some men will vanish some will survive.
But as for me I'll reach for the sky.

How long I have wanted
This dream to come true
And as it approaches
I can't believe I'm through
I've tried
Oh, how I've tried
For a life, yes a life
I thought I knew
Oh, it's the price we gotta pay

Makes me wonder if it's worth it to carry on
Cause it's a game we gotta lose
Though it's a life we gotta choose
And the price is our own life, until it's done.

Timothy Pierce

A terrible tragedy has taken a friend we all loved dearly. The time spent with him was in laughter and smiles, for he always had a joke to tell or a funny story to relate. It's hard to deal with the loss of a friend and we'll always cherish the difference he made in each of our lives.

"Only the good die young." Tim, you will always be remembered for the joy and happiness you brought into our lives. You will always live on in our memories and hearts.

JUNIOR VARSITY SOCCER TEAM

Coach: Mr. Young

Captains: Lisa Menezes
Paula Howard

The girls Junior Varsity Soccer Team ended the season with 6 wins and one loss(to Sanford), and 2 ties. This was the first year for the J.V. team, racking up 17 goals and only allowing 5. This year was a great experience and a time to build up knowledge of the game and skills. We believe that the Lady Eagle Soccer Team will be the State Champs in the very near future. Our freshmen defense players were Stephanie Sawyer, Karen Denbo, Angela Stein, and Karri Murphy, and sophomore Crystal Stover. The midfielders or halfbacks were Julie McVane who is a freshmen, and juniors Chris Farrar and Paula Howard. The wings were Stephanie Dupras, and Janice Sanborn whom are freshmen, and Debby Davidson and Patty Davidson whom are sophomores. Courtney Cummings was our goalie and did an excellent job, turning in 7 shut-outs. This was her first year and the team thinks she has great potential. The team will be working hard this summer and will be a tough team to beat next season.

J.V. Soccer

This year's J.V.Soccer team was very competitive in the Triple "C". I hope that these young men learned from this experience and hope that it will help at the varsity level.

Coach Leighton

Softball

The 1983-84 softball team was class "B" Triple C champions. They also made it to the finals of Western Maine where they lost to Medomak Valley.

Lisa Jensen was given the award of best sports-person and team leader by the Board of Umpires of Southern Maine in Class B.

Lisa Jensen, Katie Luce, Laurie Jasper, and Lisa Rhoades were selected as Triple "C" all stars.

Coach Leighton

Don't Quit

When things go wrong as they sometimes will
When the road you're trudging seems all up hill
When the funds are low and the debts are high
And you want to smile, but you have to sigh,
When care is pressing you down a bit,
Rest, if you must, but don't you quit.
Life is queer with its twists and turns,
As everyone of us sometimes learns,
And many a failure turns about
When he might have won had he stuck it out;
Don't give up though the pace seems slow —
You may succeed with another blow.
Success is failure turned inside out —
The silver tint of the clouds of doubt,
And you never can tell how close you are,
It may be near when it seems so far;
So stick to the fight when you're hardest hit —
It's when things seem worst that *you must not quit.*
